*Welcome Producers,*

*On behalf of the 2J Angus family we would like to invite you to our 15th annual production sale!*

*We want to say thank you to all our existing customers and invite new customers to look into our offering.*

*Times in 2025 are proving to be awesome times to be in the cattle business, and rewarding for all the producers hard work.*

*Our goal is always the same, to provide bulls that will work in your operation for a great end result. We send in DNA on each animal for genomic testing to provide you our customers the most accurate EPD profiles. Its very rewarding to hear our customers calves, replacement females or fat cattle getting top prices at the auction, and to hear the mothering ability of replacement females out of our bulls.*

*These bulls have all been semen checked, ultrasound and had all their pre-breeding shots. They are developed on a high roughage ration and ready to go to work for you.*

*Again thanks!*

*Sincerely,*

*2J Angus*

*Chris, Lanna*

*CeJay, Dakota, and Dawson Jones*
